### CENTRAL EUROPEAN ASSOCIATION OF FIRE INVESTIGATORS

---

**Claire Mansi** FFireInv MIAAI IAAI-FIT IAAI-ECT:

A Fellow of the UK Association of Fire Investigations, Member of the IAAI (International Association of Arson Investigators), Fire Investigation Technician and Evidence Collection Technician with the IAAI, and Past-Director of Administration of the UK Association of Fire Investigators.

Claire has attended 14 IAAI International Training Conferences in the USA and has organised and attended many more within the UK. She worked as a Practitioner in the London Fire Brigade's Arson Task Force for nine years. Claire developed and delivered a unique arson awareness programme for adults and students called the SAFE Project (Stop Arson For Ever) and she was key in developing and implementing the 10-Stage System for Serial Arson Investigations, resulting in convictions of arsonists, whilst working in Partnership with the Metropolitan Police Service.
